John 4:35

A By-Faith Frontline Ministry

This is the hardest letter I have ever written. Pray I will communicate correctly. Our God is such an Awesome God! Isaiah 43 and 44 are so ripe with descriptions of Who God is.

“When you pass through the waters, I will be with you; And through the rivers, they shall not overflow you. When you walk through the fire, you shall not be burned, nor shall the flame scorch you For I am the Lord your God, The Holy One of Israel, your Savior;”You are My witnesses,” says the LORD, And My servant whom I have chosen, That you may know and believe Me, And understand that I am He. Before Me there was no God formed, Nor shall there be after Me.” I am the First and I am the Last; Besides Me there is no God. And who can proclaim as I do? Then let him declare it and set it in order for Me, Since I appointed the ancient people. And the things that are coming and shall come, Let them show these to them. Do not fear, nor be afraid; Have I not told you from that time, and declared it? You are My witnesses. Is there a God besides Me? Indeed there is no other Rock; I know not one.” Who would form a god or mold an image That profits him nothing?

Sue and I have just returned from working with The John 3:16 Horseshoe Ministry at the Kansas State Fair. Carl and Jenny Brown graciously hosted us again. Thank you so very much. We had to come home early for Sue’s eye evaluation but were a part of seeing the salvation of over 300 souls! What a dedicated group of people who worked at this event. This ministry could be adapted anywhere there are large crowds of people! Hint. Hint. Please pray for the churches and individuals that are involved in following up with these new Christians. Pray each new believer will want to grow to be all that God created them to be.

Sue and I and two other couples head to Massachusetts this week to participate in our New England Christian Heritage Tour of the founding of our nation. We have a large contingency of people that are determined and sponsored by a certain political party in power to rewrite history from a Marxist-Slavery view of America. Our nation was founded by the Pilgrims and the Puritans by a large part. Most were not slave owners and those that were quickly shed that weight from their shoulders. People that came to Virginia did perpetuate the slave trade. But to be honest there is more slavery in the world today than there was then. I don’t hear anyone talking about that! Slavery is not the issue-sin is! The shedding of innocent blood, abortion, adultery, fornication, idolatry, same-sex unions, covetousness of which gambling is included, pornography, lying, stealing, all forms of wickedness-this is sin.

The Massachusetts people by and large were God-fearing folks. They raised their families to worship the true and living God, the Lord Jesus Christ. For about three hundred years they kept a rein on their passions. Then greed and evil teachings took root and today they are about as wicked as anywhere else in the USA. Our goal in these tours is to teach truth about our beginnings and to help a new generation to understand what it took and takes to keep a nation strong. Our life of leisure here in America is due in large part to the Puritans. We also want to evangelize every opportunity we get. Lost people are everywhere, so we want to give a clear witness wherever we go. Today only 2% of these people attend an evangelical church.

America is still the greatest missionary sending and supporting force in the world. That is one reason Satan is attacking America with everything he has in his arsenal, or have you noticed? Every evil doctrine and evil idea that the world has devised is coming against America now. Every good group is being divided against itself. Two generations of college students have been indoctrinated by Marxist anti-God theology. Churches have been ripped apart and members have become alienated from one another. It is the old rule of divide and conquer. Satan's plan seems to be working. America is the last bulwark of freedom in the world.

We are living in the last days. It is time to pull out all the stops and spread the gospel all over the world even to a greater extent than ever before. But if we lose America to the anti-Christ progressives, socialists and communists, they will make it against the law to preach the whole Bible. Your church will be controlled by the government as it is today in communist China. Where in the past we have sent thousands and thousands of missionaries into the four corners of the earth, we may be told that we cannot leave the "USSA". If you think you lived under fear with Covid 19, you have never seen fear when communist control you. I have traveled to communist countries. Fear is paramount! I was in Siberia five time zones east of Moscow in 1992. My passport was confiscated and without a loud ruckus I would have not gotten it returned. Even at the Olympics in Beijing in 2008 my passport was taken away from me for 24 hours to "inspect" it. Fear. That is what drives communism and the devil. We are experiencing some of the same tactics here now from the political party in power. Our forefathers fought for freedom for all. Freedom of religion, freedom to work wherever one desires, freedom to travel unharmed and unhindered. I pray we have a real spiritual awakening upon our people soon. I don't think it is too late, but it is close. Do you see it? My prayer is that you VOTE God's values in the November election.

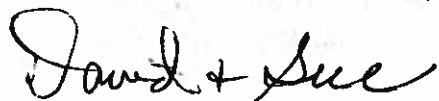

Last month I offered to send you the book by Dr. James Gauss REVELATION 18 AND THE FATE OF AMERICA that leads the church to come alive and defeat the enemy within. We must have unity and everyone on board. God is waiting on us to become alert to the devil's schemes. This book sends out a clarion call! I hope you will ask me to send it to you. May I use an old line here--Just Do It!

I close by claiming this portion of Scripture in Isaiah 54:13-17 for all of us:

".....all your children shall be taught by the LORD, and great shall be the peace of your children, in righteousness you shall be established; you shall be far from oppression, for you shall not fear; and from terror, for it shall not come near you. Indeed they shall surely assemble, but not because of Me. Who ever assembles against you shall fall for your sake. Behold, I have created the blacksmith who blows the coals in the fire, who brings forth an instrument for his work; and I have created the spoiler to destroy. No weapon formed against you shall prosper, and every tongue which rises against you in judgment you shall condemn. This is the heritage of the servants of the LORD, and their righteousness is from Me," says the Lord.

Thank you for your mighty prayers for us and your precious support for this ministry. When not traveling we are actively handing out about 500 Gospel tracts per day. Keep praying they bear fruit.
