A "by-faith" FrontLine Ministry

Every day we hear of wars and rumors of wars! The truth be told, we may already be in World War III. But we shall not fear! Our God is able to hold on to us through anything the Devil throws our way.

I was reading in Genesis yesterday where Esau came in from working in the field being hungry and tired. Jacob asked Esau to sell his birthright to him. Esau said, "...what is this birthright to me?" Jacob bought the birthright for some bread and a bowl of stew of lentils. And the Bible says, "Thus Esau despised his birthright." (Genesis 25:34) I felt as though the Lord was saying, "America has sold her birthright."

Are we a nation full of Esau's? Does the general populous even care anymore what is happening --How far we have drifted away from the tenets of God?

"If the foundations be destroyed, what can the righteous do? Psalms 11:3

Last Friday night our church had twelve people praying for the Spiritual Awakening of our nation and our nation's churches. The First Friday of every month this year there will be a group praying all night at our church. We are imploring our God to visit our land with His Mighty Spirit to change our direction! The Foundation must be reworked. We must again be established on the word of God, the Holy Scriptures! The word is true, there is no error in God's word. The more man studies to disprove the Bible, the more he will understand its true standing and Jesus Christ as the only way, the only truth, and the only life. Without a True Foundation – unbreakable, uncorruptible, uncompromising – you and I (or any nation) have nothing to stand firmly on!

We have fallen worse than I previously thought. While 37 percent of pastors have a Biblical Worldview, only 6% of Americans hold one. Only 62% of Evangelical pastors believe Human life is sacred. While 70% of pastors believe Jesus is the way to Heaven, about 30% believe Reincarnation is a distinct possibility. About a third of the pastors believe one's good works will gain them Heaven. Thirty-nine percent of pastors believe there are no moral absolutes that apply to everyone all the time. And the one that about killed me is that one-third of all pastors said they do not read the Bible during a typical week!!! No wonder we are in trouble! No wonder we have the disgraceful national leaders we have! It is the blind leading the blind. Understand these are Evangelical pastors; many liberal denominational pastors are worse. Pollster George Barna says, "To see American culture transformed will require a time of Christians and pastors devoted to repentance and the Scriptures unlike anything we have seen in more than a century." I unreservedly concur! I place my Faith in Almighty God! There is no other way!

The Foundation is the word of God, the Holy Bible! **The Holy Bible must be reestablished in America!** **Pray for your pastor every day! Pray! Pray in Jesus Name!** Being a pastor is not an easy thing. If you are in a church not preaching the whole counsel of God, go to the pastor personally, and find out why not. (Galatians 1:6-9, 2 Corinthians 6:14-17) Never stop believing in God. He is able to do all things! Faith is believing what is to be without seeing it. BTW WE WIN!!!!!!!

God's Best to You In Christ Jesus,
